School Wide Updates:

Soccer:

On October 16th, Queen Elizabeth School was well represented at the annual junior soccer tournament. The boys team went undefeated through 4 games in Pool A. They only allowed 2 goals against due to the amazing goaltending of Winston Noun. A variety of players contributed 12 goals for the Royals over those games. The boys met a very strong team from Centennial in the final and lost 3-0. The boys should be proud of their 2nd place finish at the tournament.

- The Queen E girls were a force to be reckoned with at the tournament. The girls dominated Pool A winning every game and not allowing a single goal in 2-0, 3-0 and 4-0 shutouts. Wow! In the semi finals the girls showed amazing resilience to bounce back from a 2-0 deficit against Lady Evelyn Public School and went on to win that game 3-2. In the final, the girls prevailed over Manor Park in a game that went to shootouts. So the Queen E Royal girls are the soccer champions for Zone 3 this year. Congratulations to Mr. Cogan and the amazing girls team.

Take it Outside Day:

- On Wednesday, October 23rd, classes from all across Canada were encouraged to learn in the outdoors. At Queen Elizabeth, our classes from Kinder to Grade 8 explored learning opportunities beyond the walls of the school. Ms. McMenamín's grade 3 class and Ms. Hennin's grade 8 class did a joint expedition to Mer Bleue for the day while our kinders ventured outside to create beautiful frames of natural art.
